

Mr. Peter Albert attends AMC Luncheon

(March 10, 2016 Hong Kong) Mr. Peter Albert was the guest speaker at the Asia Mining Club Luncheon on February 19, 2016. The event was led by CIBC Managing Director – Investment Banking, Greg Fournier. Peter shared his views and experiences on a range of ideas including the current status of the mining industry, the implications for sustained depressed metal prices, working in and with different cultures around the world and his perspective on the Chinese SOE's appetite for acquisition and their long term mindset in relation to business development.
