

121 Mining Investment Cape Town

(March 14, 2016 Hong Kong) Mr. Peter Albert attended the 121 Cape Town Event on February 9-10, 2016. His goals were to connect and build relationships with other mining executives and increase the profile for Jinchuan Group International Resources (JCI). In an interview, Peter emphasized the main vision of JCI and shared his opinion on the market place at the present time, commenting that it was challenging for everyone in the industry but with backing from good shareholders and potential financiers, he was positive that good opportunities are available.
