

Mr. Peter Albert attends Mines and Money

(April 6, 2016 Hong Kong) Mr. Peter Albert was one of the panelists and the China roundtable host at the 9th Annual Mines and Money Asia Conference held on April 5, 2016. In the panel discussion, Mr. Albert expressed his views on the Asian mining market and the type of investments Jinchuan Group International Resources (JCI) is interested in, emphasizing the unique timing offered by current market conditions, the good opportunities that are potentially available, and also emphasizing how “grade is king” enabling projects to remain robust through all phases of the cycle. During the networking lunch, Mr. Albert led the group to further discuss the China market and shared his opinions with fellow executives.
